## BY-LAW

### Coaches and Officials

The Board of Management will support those members who are prepared to undertake necessary training to obtain accreditation and/or re-accreditation as a Marker, a Measurer or an Umpire and will also support those who are prepared to undertake training for accreditation as a Coach.

### Umpires, Measurers and Markers

Bowls SA will list the dates and venues of courses available to members for accreditation or re-accreditation on the Bowls SA website. Members interested may apply to attend the course of their choice by completing the relevant form and submitting it to the Secretary.

The Secretary will submit approved applications to Bowls SA and arrange for the Treasurer to pay the fee to Bowls SA.

### Coaches

Details of Training Courses and application forms are set out on the Bowls SA website for accreditation or re-accreditation.

The Bowls Committee may approve payment of the costs of the training where there is a clear understanding that the Coach, once accredited will be a member of the Club Coaching panel and assist in providing coaching services to members as instructed by the Coaching Coordinator.

Where the Bowls Committee is of the opinion that a reasonable amount of time has not been provided to members for this purpose, it may require the coach to repay the fees paid.

This By-Law was passed by the Board of Management in accordance with the Constitution of the Club at the meeting on 23<sup>rd</sup> June, 2020.
