Lyn Ellis trophy – Most improved 1st or 2nd year bowler

This trophy was presented to the Club by Keith Ellis in memory of his wife Lyn, a former member of this Club. It is awarded annually at the Trophy Presentation event at the end of each season, to the most improved first or second year bowler.

Nominations

The Selection Committees for each of the Saturday, Wednesday and Thursday Pennant Bowls competitions shall each meet together and decide if they wish to nominate a bowler from each competition.

Each Selection Committee making a nomination should include a brief written statement about the nominee and their achievements.

The nomination from each competition shall then be forwarded to the Secretary for presentation to the Board of Management.

The Board of Management will consider the nominations and select the person who is to receive the Trophy.

This By-Law was passed by the Board of Management in accordance with the Constitution of the Club at the meeting on 12th November 2019.
